

Figure 7: Annual water use

Total Water Consumption (m ³)				
2007/08	2006/07	2005/06	2004/05	2003/04
368,337	349,231	417,926	496,043	411,229

Water Consumption per m ² (m ³ /m ²)				
2007/08	2006/07	2006/07	2004/05	2003/04
0.36	0.44	0.51	1.067	1.013

In line with previous years we have accounted for the energy use, carbon emissions and water use in the common parts of the majority of our managed multi-let buildings, which are the areas where, as landlord, we control usage and can directly effect improvements.
